Cheese Boreck

Thaw a 16-ounce package frozen fillo-strudel dough. Combine two cups (8 ounces) shredded muenster cheese, two 3-ounce packages cream cheese, softened, ¼ cup cream-style cottage cheese, 1 egg and ½ teaspoon instant minced onion. Beat smooth. Melt ¾ cup butter or margarine. Stack two sheets of fillo dough. Brush top with about 1 tablespoon of the melted butter. Cut dough lengthwise into nine 2-inch strips. Place 2 teaspoons cheese mixture in corner of one strip. Pick up adjacent corner; fold over filling, forming a triangle. To make one appetizer, continue folding in triangle form to end of strip. Trim any ragged edges. Repeat with remaining dough, butter and filling to make 9 appetizers from each two sheets of dough. Chill. Place, folded side down, on ungreased baking sheets. Bake in 400° oven for 20 minutes. Makes 7½ dozen.
